

The Patient Portal

How to sign up — and why you should

The online Patient Portal is the one place you need to go to manage your health anytime, anywhere. Schedule appointments, send messages or refill requests to us, and view your tests results and billing online without having to schedule an appointment or wait on the phone.

Features of the Patient Portal

Web Scheduling

Schedule or change appointments online 24/7. No phone tag. No hold music. Just a confirmation in 1 minute instead of 8.

Private Messaging

Communicate privately with us any time of the day or night with secure messaging.

Refill Requests

Request prescription refills online without having to take time out of your day.

Test Results

See your lab results and health history instantly without scheduling an appointment.

Online Billing

Pay your bills with a click instead of a check and save your billing information on file for further use.
